One chorching day I went outside all of a sudden. I saw a gigantic rug with beautiful orange, green, and blue spots. I sat on it zoom I was in the air. I gazed in amazement I was a gently ride. I started to smell a revolting smell so we flew pass the stinck. I landed one hour later we were in Florida. Astonishingly, we only took one hour we got a hotel and decided to stay for a while so we went swimming, movies, and Disney world. I decide it was time to go back home. Suddenly, we were there I told my mom.

Score Point: 3

This response reflects a limited degree of proficiency in narrative writing skills. The writer describes flying a carpet to Florida. Some detail is provided to illustrate key ideas (gigantic rug with orange, green, and blue spots); however, numerous spelling errors and a lack of development prevent the response from earning a higher score.
